AMENDMENT

With reference to the Office Action mailed November 8, 2002, applicants respectfully request reconsideration of the subject application pursuant to 37 CFR § 1.111 in view of the following amendments and remarks.

Please amend the application as follows:

In the claims:

Pursuant to 37 CFR 1.121(c)(3), Applicants submit the following clean version of the entire set of pending claims, as amended herein.

Sub 1

1. (Amended) A distributed computing network having at least one computing device, the distributed computing network comprising:

- a controlled computing device;
- a state table maintained by the controlled computing device and representing an operational state of the controlled computing device;
